Committee Matters – For information only

1. M&T Report: The November M&T report was approved by MAC (Isupov, Mendlowitz)

2. COVID-19 and Infectious Disease Update

Dr. K. Nuri provided an infectious disease update. Over the next two weeks, the prevalence of COVID-19, Influenza, RSV are all projected to increase. The risk of severe respiratory virus illness is high in the pediatric population and general adult population and projected to increase. At CMH, we have had 5 COVID-19 cases in December, but 47 cases in November while there were only 5 cases in August. Currently, there are 7 inpatients (1 ICU, 3 Med A, 2 Med B, and 1

ED). Wastewater signal has been higher in Cambridge compared with Kitchener. CMH is currently not on outbreak. Everyone was encouraged to get their flu and COVID-19 vaccine.

3. Using Blood Wiseley Designation

Dr. J. Bourgeois shared the formal letter designating CMH as a Choosing Blood Wisely organization. Dr. W. Lee congratulated Dr. J. Bourgeois and her team for the leadership to being a Choosing Blood Wisely organization and the medical leadership for their support to move this initiative forward. This is a catalyst for upcoming work in several departments to move the organization forward towards a Choosing Wisely Canada Hospital.

4. Accreditation Update

L. Barefoot provided an update on Accreditation which occurred in November. All Required Organizational Practices (ROPs) were met and only 4 out of approximately 1700 standards were unmet. This result is improved from the last Accreditation cycle. The final Accreditation Canada result has not been received, but the feedback from Accreditation is to be celebrated. Dr. W. Lee thanked MAC for their hard work and support of their programs to achieve such an accomplishment for Accreditation. L. Barefoot will be sharing the final Accreditation Canada report as it is received.

5. Chair Update and Chief's Corner

Dr. W. Lee thanked those who participate in the MAC surveys. Feedback is welcomed and has contributed to positive changes this year. Dr. W. Lee also shared planned work for updating the Chief's Orientation Manual released last year. "In the moment" feedback from Accreditation was that we had a comprehensive resource for our leaders. Dr. W. Lee will be updating some of the documents and will working on a medical leadership organizational resource to support this manual. Chiefs will be asked to provide a "30 second bio" and a picture. In addition, Dr. W. Lee will be arranging a MAC Learning Lab 2.0 with a session focused on conflict management.

Dr. W. Lee shared a special award received on behalf of CMH – "McMaster Regional Assistant Dean Award for Excellence in Medical Education" for 2023 in November. It really highlighted everyone's work to embrace and support the growth of medical education at CMH. In 2023, CMH hosted 138 medical learners across 9 different Departments. More recently, McMaster Waterloo Regional Campus Clinical Education Committee hosted their meeting for the first time in the new Wing A of CMH, with positive feedback on the welcoming space and rich resources for medical learners at CMH. Dr. W. Lee also celebrated Dr. Tasha Stoltz, a CMH Pediatrician who received an award for Excellence in Undergraduate Teaching at McMaster Waterloo Regional Campus. Congratulations to all CMH WRC faculty who have supported medical education at CMH!!!

6. CEO Report

P. Gaskin's CEO report was pre-circulated in the MAC package as part of the Consent Agenda.

7. CNE Report

S. Pearsall provided highlights of ongoing work for recruitment and retention of staff, particularly in the ICU, ED, and Medicine programs. There is commitment to sunset the use of agency nursing staff at CMH in early 2024. There is a concerted regional approach to reduce and eliminate the use of agency nursing staff. Training and onboarding of many new staff are underway in the ICU, which will help with the transition away from agency nursing staff.

8. Board Report

D. Wilkinson informed MAC that the December Board meeting was scheduled for December 6, 2023. On behalf of the Board, she expressed her appreciation of the work of the MAC and wished everyone happy holidays.

Guests: D. Wilkinson, C. Wilson

Committee Matters – For information only

1. M&T Report: Due to no M&T meeting since December MAC. The M&T report was deferred.

2. COVID-19 and Infectious Disease Update

Dr. K. Nuri provided a COVID-19 and infectious disease update. Over the next two weeks, the following changes are projected for COVID-19, Influenza and RSV:
 COVID-19 activity is projected to remain stable.
 Influenza activity is projected to increase.
 RSV activity is projected to decrease.

The risk of related severe respiratory virus illness from the most recent weeks data has been high in the pediatric population and very high in the general adult population. But it is expected to increase in both the pediatric population and general adult population in the next two weeks.

Currently, we have COVID-19, Rhinovirus, and Influenza A admissions. COVID-19 cases were highest in November and December at 47 and 45, respectively. In contrast, CMH saw 5 COVID-19 cases in August and 14 cases in September.

With the holidays, and social gatherings, there high number of respiratory illnesses and COVID-19 will be expected to increase in the upcoming weeks.

3. Insulin Order Changes

J. Bova Clinical Educator, provided further updates and education to MAC regarding upcoming changes to Insulin substitutions at CMH. Formal communication to all clinicians will be forthcoming at the end of January 2024. Chiefs were asked to share the information with their Departments in advance of the go-live of the Insulin substitutions. Dr. Nguyen suggested streamlining the process by including the patient's own Insulin prescription on admission in Meditech, to ensure that these prescriptions are included in the discharge prescriptions so as to avoid being replaced by auto substitutions upon discharge.

4. Connect MyHealth

C. Da Costa, CMH Connect MyHealth Specialist provided an update on Connect MyHealth, a new patient portal in Southwestern Ontario. C. Da Costa has been actively engaging patients at various venues (public and within hospital) to enroll patients on Connect MyHealth. Key takeaways from the presentation are that patient results (i.e. diagnostics, lab and pathology) and discharge summaries are released in real-time once it is marked "final/complete" by the clinician. Primary offices and community lab results are not included. There are 34 hospitals participating in southwestern Ontario. It was noted that Grand River Hospital and St. Mary's Hospital are currently not participating. Connect MyHealth pulls data from participating hospitals, and it is released in real-time. Concerns raised by Chiefs included the lack of a time lag for results (both in the outpatient/primary care setting and in the inpatient/ED acute care setting), as patients may receive a diagnosis prior to having the opportunity to discuss with their healthcare provider (e.g. new malignancy diagnosis, pregnancy loss etc.). It also creates a new set of expectations and burden on physicians if they do not have the opportunity to review diagnostics or lab/pathology results with patients to provide context for the findings. C. Da Costa did highlight that Connect MyHealth is unable to delay release of results, but there has been inquiry to see if a delay can be initiated at the facility site. It was shared that feedback from patients, including PFAC, has been overwhelmingly positive. MAC members acknowledged the importance of patient access to records but would appreciate the opportunity to have the patient-physician discussion of results prior to the reports being viewed by the patient. Suggestion was made to gain feedback from clinicians with the increasing use of Connect MyHealth by patients and to connect with similar sized hospitals to understand their experience. C. DaCosta will return with any updates on Connect MyHealth, but leaders are encouraged to educate their colleagues about Connect MyHealth.

5. Accreditation Update

Final Accreditation Canada report was pre-circulated in the MAC package. L. Barefoot shared CMH's Accredited with Exemplary Standing designation, with highlights from the report on physician strengths. The report also identified an opportunity in transfusion services on training staff and physicians, which is being addressed as part of this year's credentialing cycle. L. Barefoot and Dr. W. Lee thanked the collective efforts of the medical leadership in preparing their departments to be "ready everyday", which really came through at Accreditation.

- (c) **French Language Services.** If the HSP is required to provide services to the public in French under the provisions of the FLSA, the HSP will be required to submit a French language services report to the Funder. If the HSP is not required to provide services to the public in French under the provisions of the FLSA, it will be required to provide a report to the Funder that outlines how the HSP addresses the needs of its local Francophone community.
- (d) **CEO Changes.** The HSP will immediately notify the Funder if it becomes aware that the HSP's CEO will depart the organization.

- (e) **Declaration of Compliance.** Within 90 Days of the HSP's fiscal year-end, the Board will issue a Compliance Declaration declaring that the HSP has complied with the terms of this Agreement. The form of the declaration is set out in Schedule F and may be amended by the Funder from time to time through the term of this Agreement.
- (f) **Financial Reductions.** Notwithstanding any other provision of this Agreement, and at the discretion of the Funder, the HSP may be subject to a financial reduction in any of the following circumstances:
 - (1) its CAPS is received after the due date;
 - (2) its CAPS is incomplete;
 - (3) the quarterly performance reports are not provided when due; or
 - (4) financial or clinical data requirements are late, incomplete or inaccurate, where the errors or delay were not as a result of Funder actions or inaction or the actions or inactions of persons acting on behalf of the Funder. If assessed, the financial reduction will be as follows:
 - (1) if received within 7 Days after the due date, incomplete or inaccurate, the financial penalty will be the greater of (1) a reduction of 0.02 percent (0.02%) of the Funding; or (2) two hundred and fifty dollars (\$250.00); and
 - (2) for every full or partial week of non-compliance thereafter, the rate will be one half of the initial reduction.

8.2 **Reviews.**

- (a) During the term of this Agreement and for 7 years after the term of this Agreement, the HSP agrees that the Funder or its authorized representatives may conduct a Review of the HSP to confirm the HSP's fulfillment of its obligations under this Agreement. For these purposes the Funder or its authorized representatives may, upon 24 hours' Notice to the HSP and during normal business hours enter the HSP's premises to:
 - (1) inspect and copy any financial records, invoices and other finance-related documents, other than personal health information as defined in the Enabling Legislation, in the possession or under the control of the HSP which relate to the Funding or otherwise to the Services; and
 - (2) inspect and copy non-financial records, other than personal health information as defined in the Enabling Legislation, in the possession or under the control of the HSP which relate to the Funding, the Services or otherwise to the performance of the HSP under this Agreement.
- (b) The cost of any Review will be borne by the HSP if the Review: (1) was made necessary because the HSP did not comply with a requirement under the Enabling Legislation or this Agreement; or (2) indicates that the HSP has not fulfilled its obligations under this Agreement, including its obligations under Applicable Law and Applicable Policy.
- (c) To assist in respect of the rights set out in (a) above, the HSP shall disclose any information requested by the Funder or its authorized representatives

and shall do so in a form requested by the Funder or its authorized representatives.

- (d) The HSP may not commence a proceeding for damages or otherwise against any person with respect to any act done or omitted to be done, any conclusion reached or report submitted that is done in good faith in respect of a Review.

8.3 Document Retention and Record Maintenance. The HSP will

- (a) retain all records (as that term is defined in FIPPA) related to the HSP's performance of its obligations under this Agreement for 7 years after the termination or expiration of the term of this Agreement;
- (b) keep all financial records, invoices and other finance-related documents relating to the Funding or otherwise to the Services in a manner consistent with either generally accepted accounting principles or international financial reporting standards as advised by the HSP's auditor; and
- (c) keep all non-financial documents and records relating to the Funding or otherwise to the Services in a manner consistent with all Applicable Law.

8.4 Disclosure of Information.

- (a) **FIPPA.** The HSP acknowledges that the Funder is bound by FIPPA and that any information provided to the Funder in connection with this Agreement may be subject to disclosure in accordance with FIPPA.
- (b) **Confidential Information.** The parties will treat Confidential Information as confidential and will not disclose Confidential Information except with the consent of the disclosing party or as permitted or required under FIPPA or the *Personal Health Information Protection Act, 2004*, the Enabling Legislation, court order, subpoena or other Applicable Law. Notwithstanding the foregoing, the Funder may disclose information that it collects under this Agreement in accordance with the Enabling Legislation.

8.5 Transparency. The HSP will post a copy of this Agreement and each Compliance Declaration submitted to the Funder during the term of this Agreement in a conspicuous

and easily accessible public place at its sites of operations to which this Agreement applies and on its public website, if the HSP operates a public website.

- 8.6 **Auditor General.** For greater certainty the Funder's rights under this article are in addition to any rights provided to the Auditor General under the *Auditor General Act* (Ontario).

ARTICLE 9- REPRESENTATIONS, WARRANTIES AND COVENANTS

9.4 Funding, Services and Reporting. The HSP represents warrants and covenants that

- (a) the Funding is, and will continue to be, used only to provide the Services in accordance with the terms of this Agreement;
- (b) the Services are and will continue to be provided:

ARTICLE 10 – LIMITATION OF LIABILITY, INDEMNITY & INSURANCE

- 10.1 **Limitation of Liability.** The Indemnified Parties will not be liable to the HSP or any of the HSP's Personnel and Volunteers for costs, losses, claims, liabilities and damages howsoever caused arising out of or in any way related to the Services or otherwise in connection with this Agreement, unless caused by the negligence or wilful act of any of the Indemnified Parties.
- 10.2 **Ibid.** For greater certainty and without limiting section 10.1, the Funder is not liable for how the HSP and the HSP's Personnel and Volunteers carry out the Services and is therefore not responsible to the HSP for such Services. Moreover, the Funder is not contracting with or employing any HSP's Personnel and Volunteers to carry out the terms of this Agreement. As such, it is not liable for contracting with, employing or terminating a contract with or the employment of any HSP's Personnel and Volunteers required to carry out this Agreement, nor for the withholding, collection or payment of any taxes, premiums, contributions or any other remittances due to government for the HSP's Personnel and Volunteers required by the HSP to carry out this Agreement.
- 10.3 **Indemnification.** The HSP hereby agrees to indemnify and hold harmless the Indemnified Parties from and against any and all liability, loss, costs, damages and expenses (including legal, expert and consultant costs), causes of action, actions, claims, demands, lawsuits or other proceedings (collectively, the "Claims"), by whomever made, sustained, brought or prosecuted (including for third party bodily injury (including death), personal injury and property damage), in any way based upon, occasioned by or attributable to anything done or omitted to be done by the HSP or the HSP's Personnel and Volunteers, in the course of the performance of the HSP's obligations under, or otherwise in connection with, this Agreement, unless caused by the negligence or willful misconduct of any Indemnified Parties.
- 10.4 **Insurance.**
- (a) **Generally.** The HSP shall protect itself from and against all Claims that might arise from anything done or omitted to be done by the HSP and the HSP's Personnel and Volunteers under this Agreement and more specifically all Claims that might arise from anything done or omitted to be done under this Agreement where bodily injury (including personal injury), death or property damage, including loss of use of property is caused.
 - (b) **Required Insurance.** The HSP will put into effect and maintain, with insurers having a secure A.M. Best rating of B+ or greater, or the equivalent, all necessary and appropriate insurance that a prudent person in the business of the HSP would maintain, including, but not limited to, the following at its own expense:
 - (1) Commercial General Liability Insurance, for third party bodily injury, personal injury and property damage to an inclusive limit of not less

than 2 million dollars per occurrence and not less than 2 million dollars products and completed operations aggregate. The policy will include the following clauses:

- a. The Indemnified Parties as additional insureds;

(2) **Proof of WSIA Coverage.** Unless the HSP puts into effect and maintains Employers Liability and Voluntary Compensation as set out above, the HSP will provide the Funder with a valid *Workplace Safety and Insurance Act, 1997* ("WSIA") Clearance Certificate and any renewal replacements, and will pay all amounts required to be paid to maintain a valid WSIA Clearance Certificate throughout the term of this Agreement.

(3) All Risk Property Insurance on property of every description, for the term, providing coverage to a limit of not less than the full replacement cost, including earthquake and flood. All reasonable deductibles and self-insured retentions are the responsibility of the HSP.

(5) Errors and Omissions Liability Insurance insuring liability for errors and omissions in the provision of any professional services as part of the Services or failure to perform any such professional services, in the amount of not less than two million dollars per claim and in the annual aggregate.

(c) **Certificates of Insurance.** The HSP will provide the Funder with proof of the insurance required by this Agreement in the form of a valid certificate of insurance that references this Agreement and confirms the required coverage, on or before the commencement of this Agreement, and renewal replacements on or before the expiry of any such insurance. Upon the request of the Funder, a copy of each insurance policy shall be made available to it. The HSP shall ensure that each of its subcontractors obtains all the necessary and appropriate insurance that a prudent person in the business of the subcontractor would maintain and that the Indemnified Parties are named as additional insureds with respect to any liability arising in the course of performance of the subcontractor's obligations under the subcontract.

ARTICLE 11 - TERMINATION AND EXPIRY OF AGREEMENT

11.1 Termination by the Funder.

- (a) **Without Cause.** The Funder may terminate this Agreement at any time, for any reason, upon giving at least 60 Days' Notice to the HSP.
- (b) **Where No Appropriation.** If, as provided for in section 4.3, the Funder does not receive the necessary funding from the Ministry, the Funder may terminate this Agreement immediately by giving Notice to the HSP.
- (c) **For Cause.** The Funder may terminate all or part of this Agreement immediately upon giving Notice to the HSP if:
 - (1) in the opinion of the Funder:
 - a. the HSP has knowingly provided false or misleading information regarding its funding request or in any other communication with the Funder;
 - b. the HSP breaches any material provision of this Agreement;
 - c. the HSP is unable to provide or has discontinued all or part of the Services; or
 - d. it is not reasonable for the HSP to continue to provide all or part of the Services;
 - (2) the nature of the HSP's business, or its corporate status, changes so that it no longer meets the applicable eligibility requirements of the program under which the Funder provides the Funding;
 - (3) the HSP makes an assignment, proposal, compromise, or arrangement for the benefit of creditors, or is petitioned into bankruptcy, or files for the appointment of a receiver; or
 - (4) the HSP ceases to carry on business.
- (d) **Material Breach.** A breach of a material provision of this Agreement includes, but is not limited to:
 - (1) misuse of Funding;
 - (2) a failure or inability to provide the Services as set out in the Service Plan;
 - (3) a failure to provide the Compliance Declaration;
 - (4) a failure to implement, or follow, a Performance Agreement, one or more material requirements of a Performance Improvement Process or of a Transition Plan;
 - (5) a failure to respond to Funder requests in a timely manner;
 - (6) a failure to: A) advise the Funder of actual, potential or perceived Conflict of Interest; or B) comply with any requirements prescribed by the Funder to resolve a Conflict of Interest; and
 - (7) a Conflict of Interest that cannot be resolved.

- (e) **Transition Plan.** In the event of termination by the Funder pursuant to this section, the Funder and the HSP will develop a Transition Plan. The HSP agrees that it will take all actions, and provide all information, required by the Funder to facilitate the transition of the HSP's clients.

11.2 Termination by the HSP.

- (a) The HSP may terminate this Agreement at any time, for any reason, upon giving 6 months' Notice (or such shorter period as may be agreed by the HSP and the Funder) to the Funder provided that the Notice is accompanied by:
 - (1) satisfactory evidence that the HSP has taken all necessary actions to authorize the termination of this Agreement; and
 - (2) a Transition Plan, acceptable to the Funder, that indicates how the needs of the HSP's clients will be met following the termination and how the transition of the clients to new service providers will be effected within the six-month Notice period.
- (b) In the event that the HSP fails to provide an acceptable Transition Plan, the Funder may reduce Funding payable to the HSP prior to termination of this Agreement to compensate the Funder for transition costs.

11.3 Opportunity to Remedy.

- (a) **Opportunity to Remedy.** If the Funder considers that it is appropriate to allow the HSP an opportunity to remedy a breach of this Agreement, the Funder may give the HSP an opportunity to remedy the breach by giving the HSP Notice of the particulars of the breach and of the period of time within which the HSP is required to remedy the breach. The Notice will also advise the HSP that the Funder may terminate this Agreement:
 - (1) at the end of the Notice period provided for in the Notice if the HSP fails to remedy the breach within the time specified in the Notice; or
 - (2) prior to the end of the Notice period provided for in the Notice if it becomes apparent to the Funder that the HSP cannot completely remedy the breach within that time or such further period of time as the Funder considers reasonable, or the HSP is not proceeding to remedy the breach in a way that is satisfactory to the Funder.
- (b) **Failure to Remedy.** If the Funder has provided the HSP with an opportunity to remedy the breach, and:
 - (1) the HSP does not remedy the breach within the time period specified in the Notice;
 - (2) it becomes apparent to the Funder that the HSP cannot completely remedy the breach within the time specified in the Notice or such further period of time as the Funder considers reasonable; or
 - (3) the HSP is not proceeding to remedy the breach in a way that is satisfactory to the Funder,

then the Funder may immediately terminate this Agreement by giving Notice of termination to the HSP.

- 11.4 **Consequences of Termination.** If this Agreement is terminated pursuant to this Article, the Funder may:
- (a) cancel all further Funding instalments;
 - (b) demand the repayment of any Funding remaining in the possession or under the control of the HSP;
 - (c) through consultation with the HSP, determine the HSP's reasonable costs to wind down the Services; and
 - (d) permit the HSP to offset the costs determined pursuant to section (c), against the amount owing pursuant to section (b).
- 11.5 **Effective Date.** Termination under this Article will take effect as set out in the Notice.
- 11.6 **Corrective Action.** Despite its right to terminate this Agreement pursuant to this Article, the Funder may choose not to terminate this Agreement and may take whatever corrective action it considers necessary and appropriate, including suspending Funding for such period as the Funder determines, to ensure the successful completion of the Services in accordance with the terms of this Agreement.
- 11.7 **Expiry of Agreement.** If the HSP intends to allow this Agreement to expire at the end of its term, the HSP will provide 6 months' Notice (or such shorter period as may be agreed by the HSP and the Funder) to the Funder, along with a Transition Plan, acceptable to the Funder, that indicates how the needs of the HSP's clients will be met following the expiry and how the transition of the clients to new service providers will be effected within the 6-month Notice period.
- 11.8 **Failure to Provide Notice of Expiry.** If the HSP fails to provide the required 6 months' Notice that it intends to allow this Agreement to expire, or fails to provide a Transition Plan along with any such Notice, this Agreement shall automatically be extended and the HSP will continue to provide the Services under this Agreement for so long as the Funder may reasonably require to enable all clients of the HSP to transition to new service providers.

ARTICLE 12 - NOTICE

- 12.1 **Notice.** A Notice will be in writing; delivered personally, by pre-paid courier, by any form of mail where evidence of receipt is provided by the post office, or by facsimile with confirmation of receipt, or by email where no delivery failure notification has been received. ARTICLE 13 – ADDITIONAL PROVISIONS

- 13.1 **Interpretation.** In the event of a conflict or inconsistency in any provision of this Agreement, the main body of this Agreement will prevail over the Schedules.
- 13.2 **Invalidity or Unenforceability of Any Provision.** The invalidity or unenforceability of any provision of this Agreement will not affect the validity or enforceability of any other provision of this Agreement and any invalid or unenforceable provision will be deemed to be severed.
- 13.3 **Waiver.** A party may only rely on a waiver of the party's failure to comply with any term of this Agreement if the other party has provided a written and signed Notice of waiver. Any waiver must refer to a specific failure to comply and will not have the effect of waiving any subsequent failures to comply.
- 13.4 **Parties Independent.** The parties are and will at all times remain independent of each other and are not and will not represent themselves to be the agent, joint venturer, partner or employee of the other. No representations will be made or acts taken by either party which could establish or imply any apparent relationship of agency, joint venture, partnership or employment and neither party will be bound in any manner whatsoever by

any agreements, warranties or representations made by the other party to any other person or entity, nor with respect to any other action of the other party.

- 13.5 **Funder is an Agent of the Crown.** The parties acknowledge that the Funder is an agent of the Crown and may only act as an agent of the Crown in accordance with the provisions of the Enabling Legislation. Notwithstanding anything else in this Agreement, any express or implied reference to the Funder providing an indemnity or any other form of indebtedness or contingent liability that would directly or indirectly increase the indebtedness or contingent liabilities of the Funder or of Ontario, whether at the time of execution of this Agreement or at any time during the term of this Agreement, will be void and of no legal effect.
- 13.6 **Express Rights and Remedies Not Limited.** The express rights and remedies of the Funder are in addition to and will not limit any other rights and remedies available to the Funder at law or in equity. For further certainty, the Funder has not waived any provision of any applicable statute, including the Enabling Legislation, nor the right to exercise its rights under these statutes at any time.
- 13.7 **No Assignment.** The HSP will not assign this Agreement or the Funding in whole or in part, directly or indirectly, without the prior written consent of the Funder. No assignment or subcontract shall relieve the HSP from its obligations under this Agreement or impose any liability upon the Funder to any assignee or subcontractor. The Funder may assign this Agreement or any of its rights and obligations under this Agreement to any one or more agencies or ministries of His Majesty the King in right of Ontario and as otherwise directed by the Ministry.
- 13.8 **Governing Law.** This Agreement and the rights, obligations and relations of the parties hereto will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. Any litigation arising in

connection with this Agreement will be conducted in Ontario unless the parties agree in writing otherwise.

- 13.9 **Survival.** The provisions in Articles 1.0, 5.0, 8.0, 9.5, 10.0, 12.0, 13.0 and 14.0 will continue in full force and effect for a period of seven years from the date of expiry or termination of this Agreement.
- 13.10 **Further Assurances.** The parties agree to do or cause to be done all acts or things necessary to implement and carry into effect this Agreement to its full extent.
- 13.11 **Amendment of Agreement.** This Agreement may only be amended by a written agreement duly executed by the parties.
- 13.12 **Counterparts.** This Agreement may be executed in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.
- 13.13 **Insignia and Logos.** The HSP shall not use any insignia or logo of His Majesty the King in right of Ontario, including those of the Funder, unless it has received the prior written permission of the Funder to do so.

ARTICLE 14 - ENTIRE

- 14.1 **Entire Agreement.** This Agreement forms the entire Agreement between the parties and supersedes all prior oral or written representations and agreements, except that where the Funder has provided Funding to the HSP pursuant to the April 1, 2019-March 31, 2022 Multi-Sector Accountability Agreement, or amendment thereto, or a prior multi-sector accountability agreement, or amendment thereto, between the HSP and a local health integration network or Funder or to this Agreement, whether by Project Funding Agreement or otherwise, and an amount of Funding for the same purpose is set out in the Schedules, that Funding is subject to all of the terms and conditions on which funding for that purpose was initially provided, unless those terms and conditions have been superseded by any terms or conditions of this Agreement or by the MSAA Indicator Technical Specifications document, or unless they conflict with Applicable Law or Applicable Policy.
